Proceedings of IQAC meeting held on 10.06.2022

Action taken report –

1. It was decided to apply for the autonomous status. The college has applied for the autonomous status and a team nominated by the concerned authority has visited the college to observe the facilities in the college.
2. It was decided to establish a research centre and to affiliate it to Mangalore University. The research centre has been established and efforts are being made to affiliate it to Mangalore University.
3. Decision was taken to bring out a research journal from the research centre and to apply for ISSN number. First volume of the journal is out and we have applied for the ISSN number.
4. Regarding the possibility of starting new PG courses, the college management has directed the faculty to study the present scenario and to decide whether to start new courses or not.
5. The faculty have been informed to encourage students to go for higher education and to the research field.
7. The college management, principal and senior faculty are encouraging the newly recruited faculty to clear NET/SLET and to pursue PhD.
8. The college management has assured that it will grant special leave to the eligible faculty who attend course work.
9. All efforts are being put to strengthen the weak areas identified by the NAAC peer team visited the college.
10. As directed by the principal, IQAC coordinator and other faculty have started to prepare for the SSR submission which is due in the month of October 2022.
11. It has been decided that this year also all the regular college activities should be for the benefit of the students.

Decisions taken in the meeting –

1. The opinions expressed by the members of status committee at the time of exit meeting are discussed. It has been decided to strengthen the weak areas identified by the team.
2. Members expressed the opinion that the college has to try for grants from various government and non-government agencies for the research activities under the research cell.
3. It has been suggested to constitute an advisory committee for the research cell.
4. It has been decided to conduct training programmes to PG students and newly recruited staff to clear NET/SLET.
5. Members suggested to have more MoUs for the benefit of our students.
6. It has been decided to continue with existing certificate courses to the students and to introduce more such courses if required.
7. It has been suggested to have policy for organising seminars and workshops in the college. It has been suggested to give financial assistance for attending conferences and workshops under certain policy.
8. It has been decided to have green audit /energy audit/environment audit of the college campus through a qualified external agency.
9. It has been suggested to maintain service register of all employees in the required format.
10. It has been suggested to follow the process of getting the research centre of the college registered under Mangalore University.
11. Decision has been taken to continue with all the activities of various associations, placement & training cell and all the departments. It has also been decided to have all extension activities and outreach programmes of the college this year also.
